**The Institute of Purchasing & Supply of Hong Kong  
(IPSHK) Webinar - HK**  
**Webinar with Hong Kong Applied Science and Technology  
Research Institute (ASTRI)**

Last year, we received an overwhelming response from members to attend the Blockchain Webinar, so we continue to conduct a Webinar on the latest technology. This time, ASTRI will introduce us to the new solutions of AI and Blockchain in different applications.

We would like to cordially invite you to attend the Webinar with ASTRI to be held on 8<sup>th</sup> July 2022 (Friday) from 16:00 – 17:00.

We are glad that Simon LEE (Director of Client Development, ASTRI) and Chan Fai, LAM (Deputy Director of Secured System Platforms Division, ASTRI) accepted our invitation. They will present the following topics with a case study:

<b>Agenda:</b>
1. AI & Big Data analysis solution for government and enterprises
2. AI ESG report analysis system
3. Document analysis solution
4. Blockchain solution for Supply Chain

Presenters:

**Simon LEE, Director of Client Development, ASTRI**

- Business development director and pricing consultant possessed extensive experience in global new business engagement environment in FinTech, PropTech, Art-Tech and IT Outsourcing.
- Proven track record of structuring, negotiating and implementing winning innovative technology, commercial and pricing solutions.
- Prior to joining ASTRI, he spent his early career in IBM & T-Systems in the UK as a pricing manager for global IT outsourcing deals.

**Chan Fai, LAM, Deputy Director of Secured System Platforms Division, ASTRI**

- IT industry experience includes the development of blockchain systems, fintech applications, embedded systems, and network protocols.
- Over 8 years of R&D experience in blockchain technology and application development. He has led his team in the successful development and deployment of blockchain systems for various companies in Hong Kong.
