Workshop Rundown on 5 Dec 2018 (Wednesday):

8:45 am	Registration
9:00 am	Welcoming by IPSHK
9:05 am ~ 10:45 am	“Social Procurement” by Mr. Chris Newman Co-founder and Director of ArcBlue Asia Pacific Social procurement provides an integrated and robust way to minimize ethical and supply chain risk, while maximising the economic and social benefits that can be achieved through strategic procurement practice. As customer, Government and investor expectations change, social procurement is becoming a vital topic for today’s procurement professionals, leaders and Project Directors. In this workshop, you will learn about what is meant by Social Procurement, how the concept has evolved over the years, and how it can bring value to Government, corporates and NGO in social and economic benefit creation, brand development, and social economy enhancement.
10:45 am ~ 10:55 am	Q&A
10:55 am ~ 11:00 am	Closing remarks by IPSHK

About the speaker:

Mr. Chris Newman

Mr. Newman is the Co-founder and Director of ArcBlue Asia Pacific. Chris began his consulting career in 2011 following over 13 years of experience in senior procurement and management roles in Local and State Government.

Chris is a leading expert in social and sustainable procurement, delivering policy and programs, conference workshops, and project solutions across the region.

A selection of projects that Chris has or currently working on include the GROW Regional Economic and Social Development Programs (Geelong and Gippsland Regions), Victorian Government Social Procurement Framework, Transport for NSW Social Procurement Workforce policy and procedures, Asian Development Bank procurement guidance development and change management, and social and sustainable procurement strategies for project managers and bidders on major infrastructure projects.
